Castries, June 23, 2023 - St. Lucia Electricity Services Limited (LUCELEC) estimates loss of power to 60% of the electricity network due to the passage of Tropical Storm Bret on Thursday, June 22, 2023.

There are areas across the country where customers are currently without service; including from

Dennerly to Micoud, Canaries, The Morne, Thomazo, parts of Coubaril to Sandals La Toc, Fond St. Jacques, parts of Choiseul, Laborie, Bonne Terre, Beausejour, Caye Manger, La Clery, Balata, Babonneau, Morne Du Don, Bois Patat, La Pansee, Chaussee Road, Leslie Land into parts of Marchand and Grass Street, Vieux-Fort Town and the Aupicon Gap.

LUCELEC crews have been dispatched to conduct field assessments to begin restoring service to affected customers.

In the meantime, customers can call the following numbers to report faults: 452-2165 from Cap Estate to Dennerly on the East and Canaries on the West and 457-4800 from Praslin to Bouton.

LUCELEC apologises to its customers for the inconvenience caused by the service interruptions and thanks them for their patience and understanding.
